Watcharin Tassananchalee

Full Stack Developer

As a Full Stack Developer with a strong understanding of React and Express, I am eager to begin my journey in the industry. I have gained knowledge in both front-end and back-end web development. I am proficient in React, HTML, CSS and JavaScript and have a solid understanding of Express and Node.js. I have experience working on projects in a team environment and am comfortable with Agile methodologies. I am highly motivated and adaptable. I am excited to take on new challenges.
